

# Samit Saha

Web Developer

## Career Objective

Enthusiastic and detail-oriented frontend web developer. Equipped with a strong foundation in HTML, CSS and JavaScript, along with hands-on experience in ReactJS. Proficient in creating engaging and responsive user interfaces. Eager to contribute creativity and technical expertise to a dynamic team, focus on enhancing the user experience and staying updated with emerging web technologies. I am looking for opportunities to grow in a collaborative and innovative environment.

## Career Summary

I am recent graduate from the Computer Science and Engineering (CSE) Department at BRAC University. Now I am looking for an internship, full-time, or hybrid job based on my skills.
